INTRODUCTION

The FTS website uses a modern, dynamic data presentation which allows users to easily to customize their reports by filtering results, sorting and grouping data. While this represents a clear improvement on the legacy offering, many users are accustomed to the previously available, so-called pre-set tables.

This tutorial provides guidance on how to use the new interface to generate reports which, while not identical to these legacy pre-set tables, nonetheless provide the data included therein.

TABLE C – REQUIREMENTS AND FUNDING PER ORGANIZATION

Table C provided a table with one row per appealing organization for a given response plan/appeal. There is no direct equivalent but the underlying data can be found by:

1. Navigating to the plan of interest, from either the appeal overview page or the third tab of the homepage map and clicking the dot for the plan
2. Changing the View selector to View by Projects
3. Sorting and filtering allows narrowing the results by various parameters
4. Click on the download button to get the searched data in excel format

The screenshot shows the Financial Tracking Service (fts) interface. At the top, there is a search bar and navigation tabs: 'REPORT A CONTRIBUTION', 'REPORTED FUNDING', 'CUSTOM SEARCH (OLD FTS SITE)', 'IN FOCUS', and 'ABOUT FTS'. Below the navigation is a world map with a blue dot in the Middle East. A dropdown menu is open over the map, listing options: '- Overview', '- By affected country', '- By government donor', '- By pooled fund (FTS on site)', and '- Response plans and appeals'. The 'Response plans and appeals' option is highlighted. Below the map, the title 'occupied Palestinian territory 2016 (Humanitarian response plan)' is visible. To the right, there is a 'Filter by donor' section with a list of donors and their counts. At the bottom, there is a table with columns: 'Project code', 'Description', 'Recipient', 'Cluster', 'Requirements', 'Funds', and 'Pledges'. A 'DOWNLOAD' button is located at the bottom right of the table.
