

- Table 1 below represents the GBV funding evolution over the past five years. [Note: Given most 2024 coordinated plans and part of the Global Humanitarian Overview (GHO) have yet to be published, 2024 numbers should only be considered as illustrative].

Table 1: General Five-Year Overview of GBV Funding

Cut-off Date	GBV Funding by Years (USD)	Yearly Increase Rate
31-Jan-24	USD 21,084,132	-90.63%
31-Jan-23	USD 224,939,410	17.18%
31-Jan-22	USD 191,958,322	-10.21%
31-Jan-21	USD 213,792,376	236.84%
31-Jan-20	USD 63,470,342	

- The presence of GBV targets and requirements have increased across coordinated plans over the past five years signifying the growing importance and tangible support for GBV programming.

Breakdown of 2020 plans with GBV targets are as follows:

- 3 FAs – No plans with GBV target.
- 25 HRPs – 9 with GBV targets.
- 25 Other Types of Plans – 4 with GBV targets.
- 7 RRRPs – 1 with GBV target.

Breakdown of 2021 plans with GBV targets are as follows:

- 6 FAs – 6 with GBV targets.
- 30 HRPs – 30 with GBV targets.
- 2 Other Types of Plans – 2 with GBV targets.
- 7 RRRPs – 3 with GBV targets.

Breakdown of 2022 plans with GBV targets are as follows:

- 6 FAs – 5 with GBV targets.
- 28 HRPs – 27 with GBV targets.
- 2 Other Types of Plans – 2 with GBV targets.
- 8 RRRPs – 5 with GBV targets.

Breakdown of 2023 plans with GBV targets are as follows:

- 7 FAs – 5 with GBV targets.
- 26 HRPs – 26 with GBV targets.
- 3 Other Types of Plans – 3 with GBV targets.
- 9 RRRPs – 8 with GBV targets.

Breakdown of 2024 plans with GBV targets are as follow (Note these plans are still under development so data is simply illustrative at this time)

2 FAs – 2 have GBV targets.

25 HRPs – 11 have GBV targets.

Other Types of Plans – None (N/A)

9 RRRPs – No plans with GBV target yet.

- Overall, HRPs are the most GBV funded over the past 5 years from 2020 to 2024 with \$556.18 million. RRRPs rank the second with \$102.16 million, while FAs third with \$40.3 million and other types of plans rank last with \$16.51 million GBV funding.
- The top five most GBV funded plans in 2023 are:

Libya Floods FA with 193.40% coverage

Pakistan Floods Response Plan with 80.50% coverage

Chad HRP with 62.10% coverage

Haiti HRP with 57.50% coverage

South Sudan HRP with 48.70% coverage
